

## RECOMMENDED SKIN TYPES

# RX Lightening Complex

## DESCRIPTION

This powerful, over-the-counter strength skin lightening & anti-aging formula aggressively targets skin pigmentation associated with UV exposure and hormonal changes. The optimal delivery of stabilized Hydroquinone 2% is clinically proven to inhibit melanin production while improving and normalizing the cell renewal process. With continued use, skin becomes smoother, luminous and blemish free.

## BENEFITS

- ✓ Lightens overall complexion, corrects uneven skin tone and improves and normalizes the cell renewal process
- ✓ Reduces melanin formation
- ✓ Aggressively targets skin pigmentation associated with UV exposure and hormonal changes
- ✓ Features a Trans-Epidermal Carrier that penetrates skin to ensure optimal delivery of actives, maximizing anti-aging benefits and results
- ✓ Continued use makes skin more firm, smooth, toned, luminous and blemish free

## DIRECTIONS FOR USE

- Apply sparingly over face and neck, avoiding eye area. Can be used once a day at bedtime or as directed by physician. Use of sun protection recommended. Do not use if pregnant or nursing.

## ACTIVE INGREDIENTS

- Hydroquinone 2%

## INGREDIENT HIGHLIGHTS

- Triticum Vulgare (Wheat) Germ Oil, Helianthus Annuus (Sunflower) Seed Oil, Lactic Acid, Allantoin

## INACTIVE INGREDIENTS

- Water, Ethylhexyl Methoxycinnamate, Cetearyl Alcohol, Propylene Glycol, C12-15 Alkyl Benzoate, Cetyl Alcohol, Sorbitan Stearate, Sodium Acrylate/-Sodium Acryloyldimethyl Taurate Copolymer, Isohexadecane, Polysorbate 80, Glycol Distearate, Potassium Cetyl Phosphate, Sodium Metabisulfite, Triticum Vulgare (Wheat) Germ Oil, Helianthus Annuus (Sunflower) Seed Oil, Xanthan Gum, Lactic Acid, Methylparaben, Allantoin, BHT, Imidazolidinyl Urea, Tetrasodium EDTA, Propylparaben

# BP Treatment Cleanser 5%

## RECOMMENDED SKIN TYPES

## DESCRIPTION

A clinically proven, non-irritating Benzoyl Peroxide cleanser eliminates acne-causing bacteria, on contact, acting as an antimicrobial agent, to clear skin and prevent breakouts. Our unique formula utilizes a micronized particle size of Benzoyl Peroxide, which has proven to be more effective, less irritating and penetrate deeper into the skin, compared to a traditional Benzoyl Peroxide particle. In addition to a smaller molecular makeup, this acne fighting cleanser also features Aloe, which soothes the skin. The Hyaluronic Acid, helps restore the skin's natural ability to hold moisture further reducing excess dryness.

## BENEFITS

- ✓ The world's first non-irritating form of benzoyl peroxide
- ✓ Clears pores of acne causing bacteria and cellular debris within 24 hours
- ✓ Smaller BPO particle than the traditional BPO, which allows for a smoother application and greater potential for efficacy
- ✓ Particles are approximately 45 times smaller than traditionally milled BPO particles
- ✓ Benzoyl Peroxide studies prove it prevents or eliminates the development of P. acnes bacteria and related species

## DIRECTIONS FOR USE

- Apply cleanser over wet face and work into lather. Rinse with water and pat dry. Can be used twice daily or as directed by physician.

## INACTIVE INGREDIENTS

- Water/Aqua/Eau, Sodium C14-16 Olefin Sulfonate, Glycerin, Acrylates Copolymer, Cocamidopropyl Betaine, Cetearyl Alcohol, Glycol Distearate, Cetyl Alcohol, Panthenol (Pro-vitamin B5), Aloe Barbadensis Leaf Extract, Sodium Hyaluronate (Hyaluronic Acid), Allantoin, Ethylhexylglycerin, Phenoxyethanol, Sodium Hydroxide

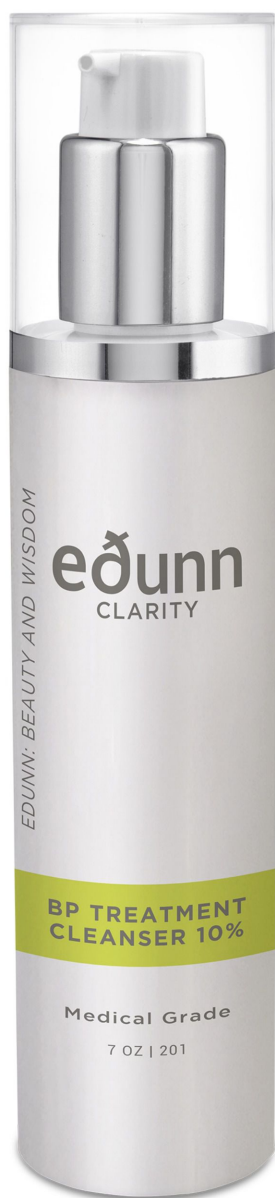

## ACTIVE INGREDIENT

- Benzoyl Peroxide 5%

## INGREDIENT HIGHLIGHTS

- Panthenol (Vitamin B3), Aloe Barbadensis Leaf Extract, Sodium Hyaluronate (Hyaluronic Acid), Allantoin

# BP Treatment Cleanser 10%

## RECOMMENDED SKIN TYPES

## DESCRIPTION

## DIRECTIONS FOR USE

- Apply cleanser over wet face and work into lather. Rinse with water and pat dry. Can be used twice daily or as directed by physician.

## ACTIVE INGREDIENT

- Benzoyl Peroxide 10%

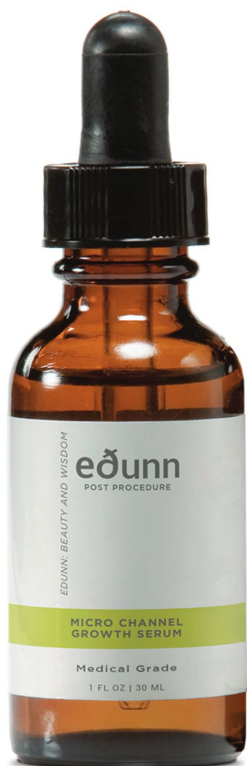

## INGREDIENT HIGHLIGHTS

- Aloe Barbadensis Leaf Extract, Sodium Hyaluronate (Hyaluronic Acid), Allantoin, Panthenol (Pro-vitamin B5)

## INACTIVE INGREDIENTS

- Water/Aqua/Eau, Sodium C14-16 Olefin Sulfonate, Stearic Acid, Acrylates Copolymer, Glycerin, Cocamidopropyl Betaine, Glycol Distearate, Cetyl Alcohol, Ethoxydiglycol, Aloe Barbadensis Leaf Extract, Sodium Hyaluronate (Hyaluronic Acid), Allantoin, Panthenol (Pro-vitamin B5), Disodium EDTA, Sodium Hydroxide, Methylchloroisothiazolinane, Methylisothiazolinone

# Micro Channel Growth Serum

## RECOMMENDED SKIN TYPES

## INGREDIENT HIGHLIGHTS

- Niacinamide (Vitamin B3), Methyl Glucoside Phosphate Proline Lysine Copper Complex, Bambusa Vulgaris (Bamboo) Leaf/Stem Extract, Pisum Sativum (Pea) Extract, Sodium Hyaluronate (Hyaluronic Acid), Panthenol (Pro-vitamin B5)

## INGREDIENTS

- Water, Glycerin, Niacinamide (Vitamin B3), Sodium Chondroitin Sulfate, Methyl Glucoside Phosphate Proline Lysine Copper Complex, Glycosaminoglycans, Bambusa Vulgaris (Bamboo) Leaf/Stem Extract, Pisum Sativum (Pea) Extract, Glucosamine HCl, Sodium Hyaluronate (Hyaluronic Acid), Panthenol (Pro-vitamin B5), Phenoxyethanol, Ethylhexylglycerin, Polysorbate 20, Disodium EDTA

## DESCRIPTION

Employing multiple revolutionary active ingredients, Micro Growth Channel Serum is clinically proven to deliver equivalent results to one injection of collagen filler in just two weeks of regular use.

The combination of copper, proline, lysine, hyaluronic acid, and niacinimide triggers the production of energy in the mitochondria of the senescent fibroblast, safely reactivating collagen I, collagen III, and elastin production. Known as the "youth collagen," collagen III presence naturally decreases starting at age 8 or 9, and is virtually impossible to reactivate. Golden Bamboo Extract and Pea Extract deliver an 85% increase in hyaluronic acid synthesis during an in vitro test, plus a decrease in skin laxity of 50% after four weeks. The result is a painless, topical alternative to Injectable fillers and toxins.

In addition to building collagen, Micro Growth Channel Serum is fortified with glycosaminoglycans which preserve and protect the structure of the ECM complex from physical forces like pollution, UV rays and aging; leading to an improvement in the skin's barrier function and a reduction in the appearance of rosacea over a 12 week period.

## BENEFITS

- ✓ Reduces wrinkle appearance and volume by 15% in only 2 weeks
- ✓ Quickly delivers equivalent results to one injection of collagen filler
- \*source website 2013 American Society of Plastic Surgeons
- ✓ Firmness increased by 13 times in 15 days
- ✓ A painless, topical alternative to Injectable fillers and toxins
- ✓ 190% Increase in elastin production after 11 days
- ✓ 179% Increase in collagen I production , and 194% Increase in collagen III production after 11 days
- ✓ 85% increase in hyaluronic acid synthesis
- ✓ 50% decrease in skin laxity after 28 days
- ✓ Improvements sustained after two months of treatment
- ✓ 80% inhibition of MMP enzyme activity (types 1 and 2)
- ✓ Improves the skin's barrier function and shows a reduction in the appearance of rosacea over a 12 week period

## DIRECTIONS FOR USE

- Apply 4 to 5 drops onto fingers and smooth over face and neck, avoiding eye area. Allow to absorb before applying additional products. Can be used twice a day or as directed by physician.

## RECOMMENDED SKIN TYPES

## ACTIVE INGREDIENTS

Hydroquinone 2%

## INGREDIENT HIGHLIGHTS

Glycolic Acid 20.0%, Lactic Acid 10.0%, Kojic Acid Dipalmitate, Bisabolol, Allantoin, Tetrahexyldecyl Ascorbate (Vitamin C), Helianthus Annuus (Sunflower) Seed Oil, Triticum Vulgare (Wheat) Germ Oil, Glycyrrhiza Glabra (Licorice) Root Extract, Sodium Hyaluronate (Hyaluronic Acid), Tocopheryl Acetate (Vitamin E), Panthenol (Pro-vitamin B5)

## DESCRIPTION

An advanced multi-active formula designed for rapid and significant improvement in the appearance. Body Bright HQ features our new **EpHQuinone™** Technology, an innovative whitening complex, combined with alpha hydroxy acids and botanical extracts to maximize penetration and stimulate cell turnover. **EpHQuinone™** interrupts the melanogenesis pathway at multiple points, resulting in rapid and effective improvement in age spots and other excess pigmentation. Utilizing a Trans-Epidermal Carrier System, Body Bright HQ penetrates skin and stimulates cell turnover, resulting in rapid results visible within weeks of use.

## BENEFITS

- ✓ New EpHQuinone™ technology results in rapid removal of age spots and hyperpigmentation
- ✓ Contains 12 highly-effective ingredients, that penetrates the skin and stimulates cell turnover
- ✓ Trans-Epidermal Carrier System resulting in rapid results within weeks of use.
- ✓ Clinically proven to reduce melanin synthesis by 80% in 6 weeks
- ✓ Reduces lines and wrinkles
- ✓ Alpha hydroxy acids stimulate cellular regeneration resulting in brighter, firmer skin

## DIRECTIONS FOR USE

Apply sparingly over affected area. Allow to absorb before applying additional product. Initial application should be two to three times per week, advancing up to two times per day as tolerated.

## INACTIVE INGREDIENTS

Water, Glycolic Acid, Lactic Acid, Sodium Hydroxide, Isopropyl Myristate, Stearic Acid, Glyceryl Stearate, PEG-100 Stearate, PPG-2 Myristyl Ether Propionate, Kojic Acid Dipalmitate, Dimethicone, Cetyl Alcohol, Stearyl Alcohol, Bisabolol, Allantoin, Potassium Cetyl Phosphate, Cyclopentasiloxane, Biosaccharide Gum-1, Tetrahexyldecyl Ascorbate (Vitamin C), Helianthus Annuus (Sunflower) Seed Oil, Triticum Vulgare (Wheat) Germ Oil, Glycyrrhiza Glabra (Licorice) Root Extract, Sodium Hyaluronate (Hyaluronic Acid), Tocopheryl Acetate (Vitamin E), Panthenol (Pro-vitamin B5), Sclerotium Gum, Sodium Metabisulfite, BHT, Tetrasodium EDTA, Phenoxyethanol, Ethylhexylglycerin

# Antioxidant SPF Protection

## RECOMMENDED SKIN TYPES

## INGREDIENT HIGHLIGHTS

- Niacinamide (Vitamin B3), Tocopheryl Acetate (Vitamin E), Polygonum Aviculare Extract (Knotweed Extract), Sodium Hyaluronate (Hyaluronic Acid)

## DESCRIPTION

Antioxidant SPF Protection, a light weight SPF 45, contains an innovative blend of active ingredients. Protecting skin from multiple extrinsic factors known to cause premature aging, including UVA, UVB & Infrared Radiation. Delivering a new strategy in sun protection, Antioxidant SPF Protection will provide the highest possible level of protection while restoring youthfulness to the skin. Derived from Knotweed Extract, our botanically-based active is the first of its kind, preventing damage from infrared radiation, which is believed to be just as detrimental to skin health as UVA & UVB. This fast-absorbing SPF also features a high level of Niacinamide to promote a smoother, clearer complexion.

## BENEFITS

- ✓ Highest possible level of protection
- ✓ Fast-absorbing SPF also features a high level of Niacinamide
- ✓ Reduces redness and blotchiness
- ✓ Increases firmness and elasticity
- ✓ Lightweight, leaves no residue
- ✓ An innovative new way to protect the skin against UV and IR
- ✓ Lightweight UVA and UVB broad spectrum protection

## DIRECTIONS FOR USE

- Apply to face & neck, avoiding the eye area. Wait at least 30 minutes before sun exposure, or as directed by a physician. Reapply after prolonged exposure, physical activity, perspiration or contact with water.

## ACTIVE INGREDIENTS

- Zinc Oxide 12.0%, Octinoxate 7.5%

## INACTIVE INGREDIENTS

- Water, Cyclopentasiloxane, Niacinamide (Vitamin B3), Oleth-3 Phosphate, Octyldodecyl Neopentanoate, Hydroxyethyl Acrylate/Sodium Acryloyldimethyl Taurate Copolymer, Polyisobutene, PEG-7 Trimethylolpropane Coconut Ether, Glycerin, Tocopheryl Acetate (Vitamin E), Polygonum Aviculare (Knotweed) Extract, Sodium Hyaluronate (Hyaluronic Acid), Disodium EDTA, Sodium Hydroxide, Citric Acid, Phenoxyethanol, Ethylhexylglycerin, Polyglyceryl-3 Polydimethylsiloxyethyl Dimethicone, Triethoxysilyl ethyl Polydimethylsiloxyethyl Hexyl Dimethicone, Triethoxycaprylylsilane

## RECOMMENDED SKIN TYPES

## INGREDIENT HIGHLIGHTS

- Ceramide NP, Ceramide AP, Ceramide EOP, Opuntia Ficus-Indica (Nopal Cactus) Extract, Saccharomyces Cerevisiae Extract, Tocopherol (Vitamin E), Allantoin, Phytosphingosine

## DESCRIPTION

Specially formulated with cactus and yeast extracts to significantly reduce irritation caused by AHA's and Retinoids. This formula works by down regulating the most important signaling molecule enzymes in inflammation including: COX2, IL-1 $\alpha$  and IL8. This down regulation soothes the skin, removes irritation and reduces redness. Calming Cream is further enhanced with four different ceramides to restore skin barrier function which helps the skin maintain its natural structure. Maintaining this structure decreases water loss and increases natural moisturizing factors, which hydrates and protects the skin and significantly aids the skin in recovering after exposure to stress.

## BENEFITS

- ✓ Reduces stinging and irritation associated with the use of hydroxy acids and retinoids while increasing the NMF (Natural Moisturizing Factor)
- ✓ Provides physical (moisturizing properties) and biological (regulation of the inflammation marker and stimulation of longevity proteins) benefits to the skin
- ✓ Down regulates inflammation enzymes to soothe the skin
- ✓ Ceramides present restore the barrier function of the skin
- ✓ Results in increased moisturization and protection leading to less sensitive and less dry skin

## DIRECTIONS FOR USE

- Apply a generous amount to soothe irritated and dry skin as needed. Allow to absorb before applying additional products. Can be used twice per day or as needed to soothe irritation and dryness within the skin.

## INGREDIENTS

- Water/Aqua/Eau, Glycerin, Caprylic/Capric Triglyceride, Dimethicone, Cetyl Alcohol, Isopropyl Palmitate, Glyceryl Stearate, PEG-100 Stearate, Stearic Acid, Bisabolol, Stearyl Alcohol, Ceramide NP, Ceramide AP, Ceramide EOP, Opuntia Ficus-Indica (Nopal Cactus) Extract, Saccharomyces Cerevisiae Extract, Tocopherol (Vitamin E), Biosaccharide Gum-1, Allantoin, Phytosphingosine, Cholesterol, Hydrogenated Soy Polyglycerides, Hydrogenated Soybean Oil, Ethylhexylglycerin, Dimethiconol, Panthenol, Sodium Lauroyl Lactylate, Disodium EDTA, Carbomer, C15-23 Alkane, Xanthan Gum, Sodium Hydroxide, Phenoxyethanol

# Tretinol Refining Serum

## RECOMMENDED SKIN TYPES

## INGREDIENT HIGHLIGHTS

- Sodium Ascorbate (Vitamin C), Tocopherol (Vitamin E), Retinol 1.0%

## DESCRIPTION

Patented Retinoid Complex (Tretinol®) including Vitamins C and E encapsulated with a proprietary Trans-Epidermal Carrier to maximize the effectiveness of Retinol's anti-aging benefits dramatically reduces the appearance of fine lines, wrinkles and deep creases as well as brightens the skin. Exclusive formula works to stimulate cellular regeneration and collagen and elastin production, improving skin grain and tone. Continued use helps sustain the reduction of fine lines and wrinkles and helps to normalize the physiology of the skin.

## BENEFITS

- ✓ Dramatically reduces the appearance of fine lines, wrinkles and hyperpigmentation
- ✓ Gently exfoliates, improves tone and texture
- ✓ Contains patented Retinoid Complex (Tretinol®) including Vitamins C and E encapsulated with a proprietary Trans-Epidermal Carrier
- ✓ Stimulates cellular regeneration and collagen and elastin production improving skin grain and tone
- ✓ Counteracts photoaging effects of UV damage
- ✓ Helps to normalize the physiology of the skin to make it more healthy and radiant
- ✓ Resurfaces and rejuvenates skin for a clearer looking complexion

## DIRECTIONS FOR USE

- Apply sparingly over face and neck, avoiding eye area. Allow to absorb before applying additional products. Can be used once a day at bedtime or as directed by physician. Initial application should be twice a week for first week and increase use after skin shows minimal signs of irritation. Use of sun protection recommended.

## INGREDIENTS

- Cyclopentasiloxane, Caprylic/Capric Triglyceride, Dimethicone Crosspolymer, Sodium Ascorbate (Vitamin C), Tocopherol (Vitamin E), Dimethicone/Vinyl Dimethicone Crosspolymer, Retinol, Dimethiconol
